TRCAC

Department of B.Sc.(I.T.) & B.Sc.(C.S.)

ABOUT THE COLLEGE

Thakur Ramnarayan College of Arts and Commerce fosters a vibrant intellectual environment that promotes student growth, supports faculty research, and actively engages with the wider society. The college offers an inclusive ecosystem where individuals can build meaningful connections with peers, both inside and outside the classroom. At TRCAC, we prioritize collaborative learning, personal development, and the celebration of diverse viewpoints. This approach is essential to preparing students for success in an ever-evolving global landscape. Our undergraduate programs in Arts, Science, and Commerce are crafted to nurture critical thinking, effective communication, and a well-rounded knowledge base empowering students for professional success and responsible civic participation.

ABOUT THE CLUB

DevClub TRCAC, formed under the B.Sc. (I.T.) and B.Sc. (C.S.) Department of Thakur Ramnarayan College of Arts & Commerce, is a dynamic and innovative club that fosters creativity, technical expertise, and collaborative learning among students. It organizes a wide range of activities including departmental events, inter-collegiate and intra-collegiate competitions, as well as major hackathons, while also preparing students to excel in prestigious external technical events. One of its flagship initiatives, the ZETTAABYTE Tech Fest, serves as a vibrant platform for students to showcase their skills through coding contests, robotics challenges, workshops, and tech talks. By promoting learning, networking, and hands-on innovation, DevClub-TRCAC not only enhances students' technical knowledge and practical abilities but also empowers them to thrive in the ever-evolving world of technology and innovation.

ABOUT HACKCRYPT

Hackcrypt : The Cosmic Cipher 2026 is a 30-hour intercollegiate innovation marathon where students from leading colleges collaborate to build impactful technological solutions.
